Dedication

We, the class of 1964, proudly dedicate our "La Saltianna" to you, Mrs. Ruth Roth, in tribute for your unwavering assistance to us--not only individually but also as a class. As students, each of us was given the opportunity to learn the mechanics of the business world; as a class, we became better prepared to meet the problems of tomorrow.

With your guidance and patience, those of us who chose commercial subjects became familiar with routine office procedures, including typing, operating machines, and communicating competently and properly.

Although our work today may not exemplify your total efforts, we shall endeavor to reflect your excellent instructions in the positions we acquire, the efficiency we maintain, and our contributions to the future.

It is our wish that your future students will gain much from your skillful teaching and your sincere friendship.

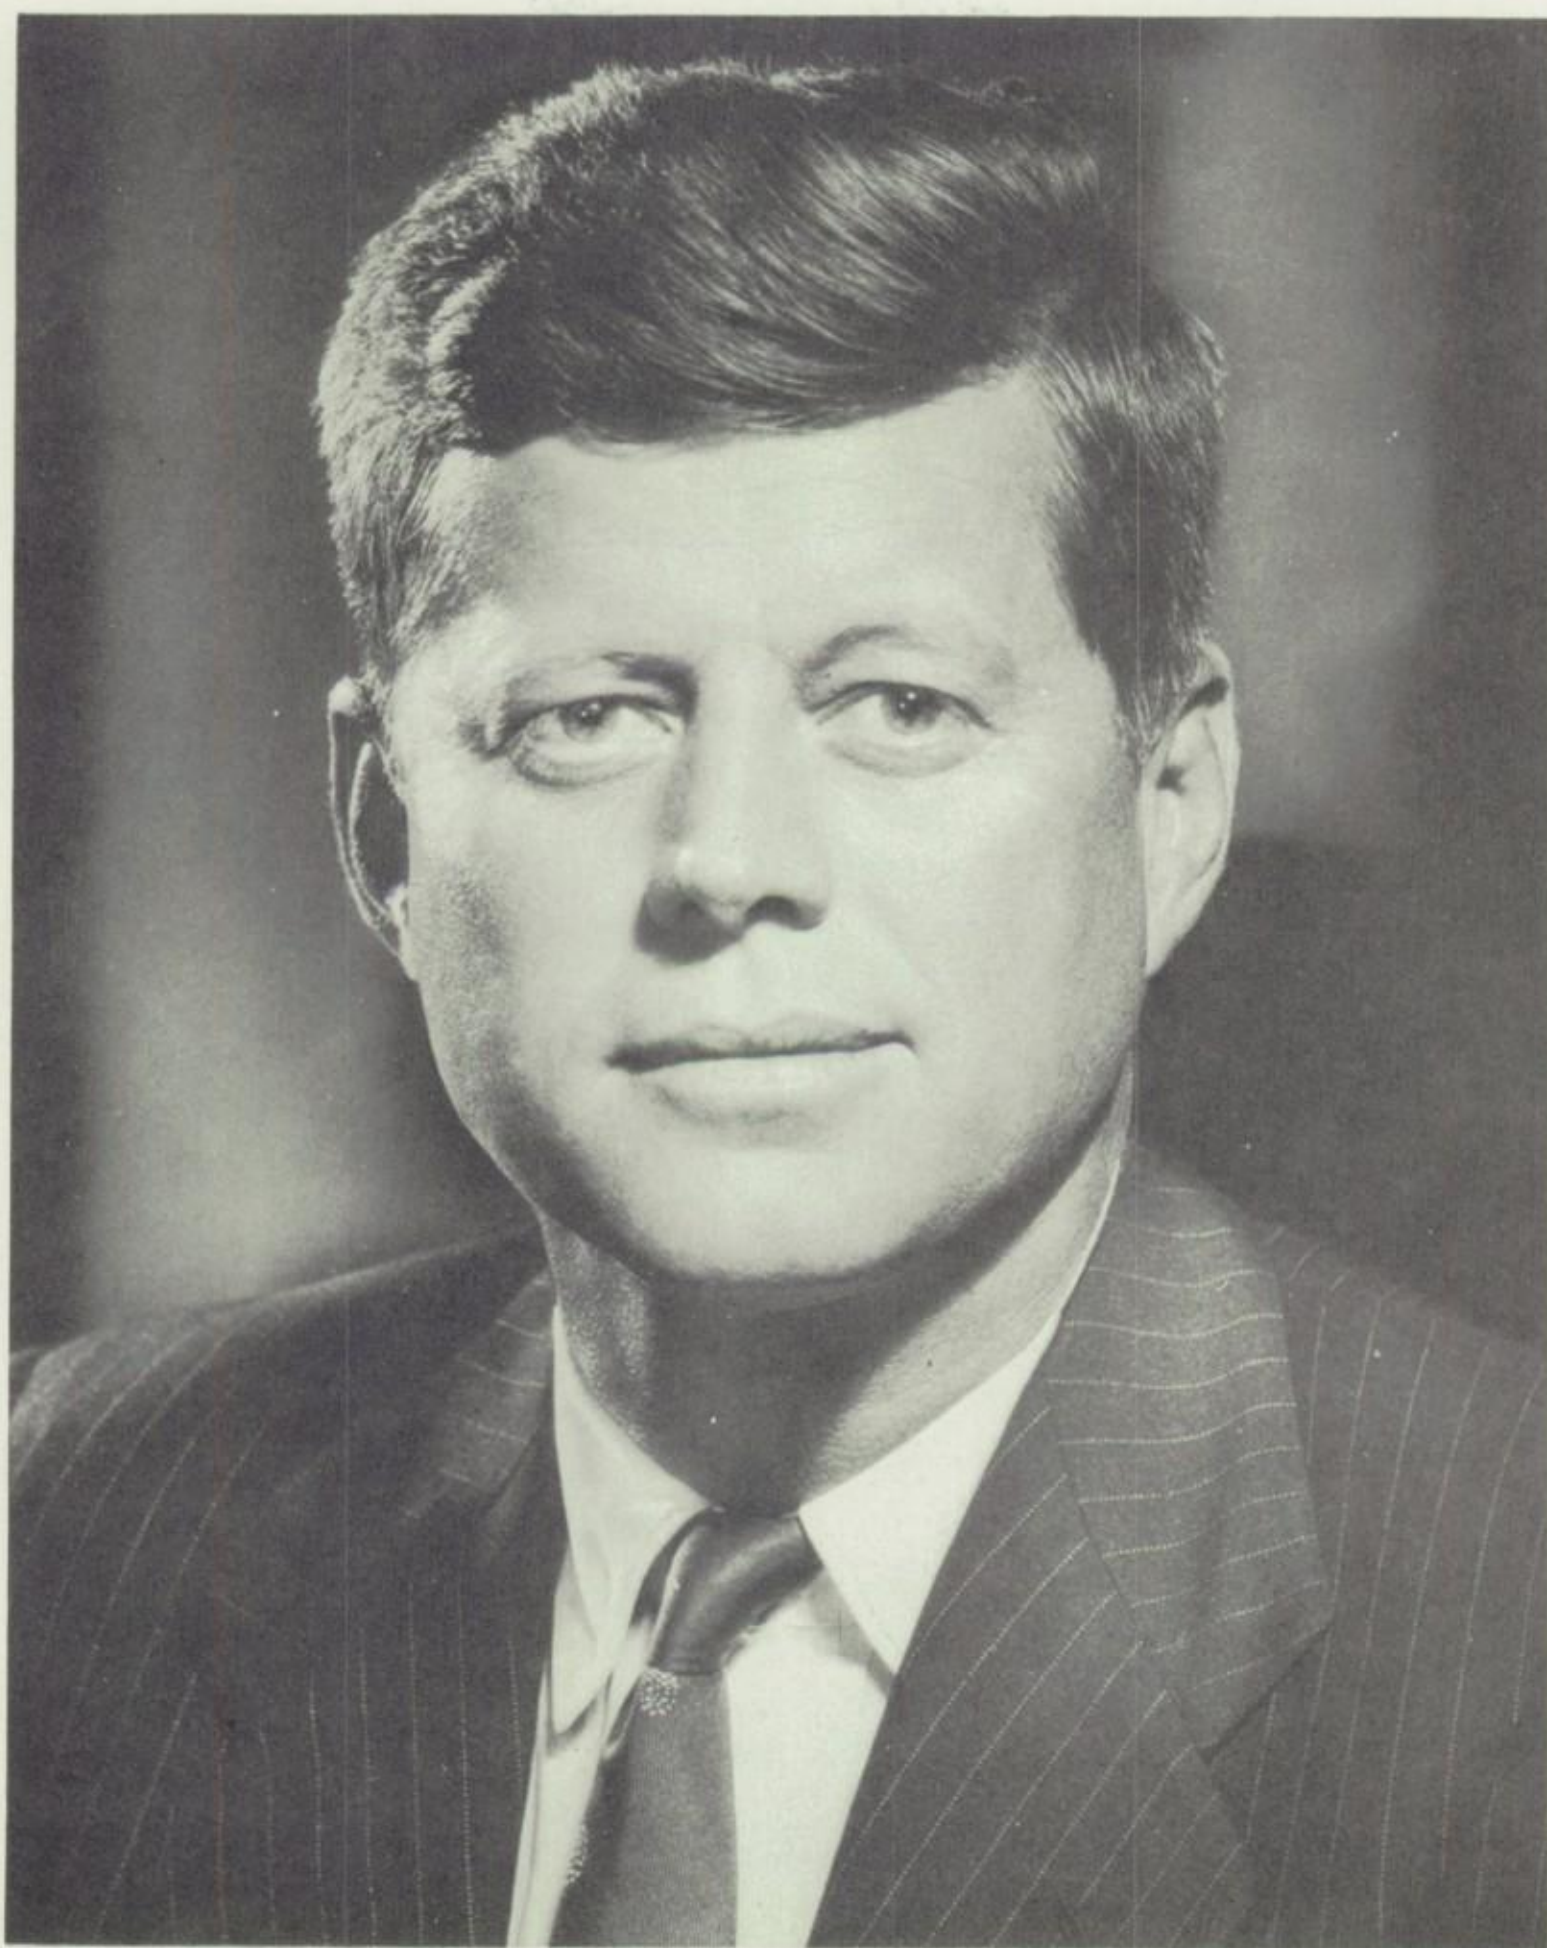

P.S. May your orange tree produce as many oranges as our hearts have pleasant thoughts of you.

MR. ERNEST D. SELL
High School Principal

To The Graduating Seniors:

You are to be commended for the effort put forth in earning your diploma. In some cases the effort was not as great as it should have been, but only you can decide that. I hope your years in Saltsburg High School have been fruitful and that you may now be able to put to use some of the basic skills acquired.

Your education cannot terminate now; you must constantly strive to increase your knowledge so that you will be better equipped to take your place in society.

Best Wishes,
John R. Coulson

Dear Seniors:

In the past twelve years your schools have presented you with a vast resource of knowledge concerning the intricate life that lies ahead of you. You have learned how world situations were handled in the past and how they are being met at present. You have also been presented with a picture of what to expect in the future.

There is a challenge for each of you in the society you are about to enter. To meet this challenge successfully you must continue your education. You will soon discover that success comes only to those who continue to broaden their knowledge.

Whatever path you decide to follow in life, my greatest wish is that you are motivated by right--which makes even a simple life great.

Ernest D. Sell

Our Senior Class

As we, the Senior Class, go through the doors of Saltsburg High School for the last time, we leave behind us many endearing memories.

In all athletics and all extracurricular activities, our class was well represented. The long list of recipients on Awards Day manifested the quality of effort and sportsmanship our Seniors displayed. Mr. Coulson reminded us that ours is the largest class to graduate from Saltsburg.

Among our many accomplishments are included: our Freshman Sweater Hop, "Cupid's Caper," our Sophomore semi-formal, "Wonderland By Night," our Junior Prom, "Fantasia," with an all-night Prom Party at Ridge Lanes, and our Senior Play, "Here Comes Charlie."

We, as a class, have worked together diligently toward reaching the many goals which we have established for ourselves. In our tomorrows, we shall strive to live by our motto, "The Future Belongs To Those Who Prepare For It."

Practice - Charlie, goldfish and hat!

The "New" Charlie amazes the family!

This three act comedy told the story of "Charlie", an 18 year old girl, from the Ozarks, who came as a ward to live in Larry Elliott's wealthy home in St. Louis, Missouri.

Naturally--and humorously--she caused much trouble and excitement! However, her later college culture and education helped her win the heart of many people--including Larry Elliott.

Our Fighting Trojans

COACHES: Mr. Mash, Mr. Lytle

This year, the Fighting Trojans snapped their losing streak with a thrilling 13-6 victory over Laural Valley. After a loss to Shannock Valley the Men of Troy came fighting back to upset Penns Manor, 14-6. With the fine running of Senior halfback, Evo Prenni, and the good showing of Sophomore halfback, Sonny Stuller, the Trojans were shut out only twice all season. The great defensive play of All-County All-Star, Joe DeLuca, also proved to be a dominating factor in both of Saltsburg's wins. The determination, strong spirit, and wholehearted team-work brought football victories back to Saltsburg.

The Story

Zinita, the Princess of Magonia decides to come to America for her education, and because she wishes to be very democratic takes a job as a waitress in Pop Jones' Cafe, the college hang-out. Gordon, a farm boy with a good voice, also works at this cafe and the two fall in love--only to be thwarted by the difference in their social positions, and the fact that Zinita is to be betrothed to the Prince of Olgania. However, the students at Yaleanova, and others take matters into their hands and bring about a happy solution.

Juniors make roses for Prom decorations.

We, the class of 1965, through participation in various school activities, have learned to exercise our individual abilities and take a more active part in school events.

We faced new challenges in preparing for our biggest event, the Junior-Senior Prom, "Moonlight and Roses." Through preparation we have achieved basic qualities of responsibility and intend to set goals to obtain more valuable knowledge. We also held the Thanksgiving Dance, "Pilgrim's Promenade," which gave to us an event of profit and enjoyment.

As we leave our Junior days behind us, we hope our Senior year will be one of even more profitable experience--a successful year on which to reminisce.

Sophomores compare their new rings.

We, the class of 1966, are eagerly anticipating our Junior and Senior years. However, our Sophomore year has been a successful one. Ordering our rings and planning our Christmas Dance, "Santa's Shuffle" were the highlights of the year.

It has been in spirit and in purpose that our class has stood united as one enjoying the "freedoms" which enable us to think and to prepare for a tomorrow.

It is our hope that our remaining years here at Saltsburg Joint High School will be enlightening ones--preparing us to be responsible citizens of the United States of America.

We, the class of 1967, convened at S.J.H.S. to embark upon our conquest of the future and to render our place in high school history. Aspiring to attain the prestige and honor for which we are greatly hopeful, we modeled ourselves after the noble classes of the past. But to distinguish ourselves, we developed our own formalities, viewpoints, and conceptions.

Our first combined effort was presenting "Cupid's Promenade," the annual Sweater Hop, for the enjoyment of both students and community. Because of the competent leadership of our officers and sponsors, plus the tireless efforts of our energetic classmates, the dance was a triumph that will long be remembered.

Our talents were not confined to one activity for we were endowed with fellow students whose abilities were demonstrated on the football, basketball, and track teams, and illustrated in band and dramatics.

Ending our Freshman year exuberantly, we look forward to our Sophomore year jubilantly and anticipantly.

Yearbook Staff

In our efforts to produce a yearbook that would be pleasing and satisfactory to both the students and the faculty, the Yearbook Staff invested many of their spare moments and relinquished entire study halls for the purpose of creating such a worthwhile publication. The faithful contributors will never forget the many excursions to solicit ads, and remaining long hours after school to type and proofread the finished pages. With steadfast efficiency and accuracy the workers have graced these pages with glowing reports concerning the school activities and the students who participated in them. We hope we have captured the amicable atmosphere and outgoing warmth and charm of S.J.H.S. in the multitude of pictures which adorn these pages.

We, the Yearbook Staff, hope you will enjoy this book to its fullest intent!

Library Club

The Library Club at Saltsburg High School, sponsored by Miss Jackson, tries to improve the library facilities. The main purposes of the Library Club are to keep the library in good order for those who wish to study or construct reports there, to repair all damaged books by rebinding and taping them, and to take care of the bulletin boards in the upper and main halls. Many of its members help to supervise the library during their study halls. The members check overdue books, circulate, and date books going out. The Library Club has proven to be an essential asset to our library.

Salt Shaker

The Salt Shaker is our school paper which is issued several times a year. It contains different features which brings us up to date on school news.

The Staff, consisting of Seniors and Juniors, experience the basic mechanics of a large newspaper by working on the Salt Shaker. They learn how to construct and organize various articles, how to use a mimeoscope, and how to mimeograph the paper.

Each Staff member gains experience and knowledge in the world of newspaper writing.

Future Farmers of America

The F.F.A. Club, consisting of 41 members and sponsored by Mr. Veach, has brought many honors to S.J.H.S. this year. Many members participated in and attended Farm Shows and Exhibits. Jim Kwisnek and Larry Young exhibited their dairy cows and won ribbons at Martinsburg and at Indiana County Fair. Several attended F.F.A. Week at Penn State University. They also sponsored a school dance and received their jackets. Both educational and social benefits were derived from their many F.F.A. activities.

Discussing FTA Conference--A. Kurant, L. Chicka, Mrs. Rankin, L. Helfer.

Future Teachers of America

Under the supervision of four zealous sponsors, a Future Teachers of America Club was organized this year. The FTA grew out of the Horace Mann Centennial in 1937 and is a project of the National Education Association and its affiliated state. The primary purposes of this organization are to aid students in exploring all the aspects of the teaching profession and to help them decide whether or not they wish to make it their career. Besides observing and learning about teaching, many members are called upon at times to try their hand in actual teaching situations. Members are encouraged to investigate their own interests and abilities, and to prepare themselves for future college training.

With the tireless efforts of its capable sponsors and the support of its members, the FTA has made a strong start and anticipates a very promising future.
